

JEFFERSON COUNTY DEPARTMENT OF HEALTH  
ENVIRONMENTAL HEALTH SERVICES  
AIR POLLUTION CONTROL PROGRAM  
PUBLIC NOTICE

The Jefferson County Department of Health gives notice that Alabama Granules Plant Facility, located at, 4500 Jefferson Avenue SW, Birmingham, Alabama 35221, has submitted permit applications to obtain a permit for a newly purchased an existing slag granule producing facility. The facility was previously owned by DUNN Construction Company and was permitted by the Department in 2014. The company will be subject to the requirements of the Jefferson County Board of Health Air Pollution Control Rules and Regulations only.

Copies of the draft permit may be inspected at the office of Environmental Health Services (Air & Radiation Protection Division), Jefferson County Department of Health, 1400 Sixth Avenue South, Birmingham, Alabama, from 7:45 a.m. to 4:30 p.m., Monday through Friday (holidays excluded). Copies of draft permit may be viewed online at <https://www.jcdh.org/SitePages/Programs-Services/Scores-Lists/Air/AirPollutionControl.aspx?AQTab=Notices>

The Jefferson County Department of Health is limited only to the air pollution aspect of the facility. Any comments relative to zoning or economic and social impact are within the purview of local zoning and planning authorities and should be directed to them.

After consideration of all written comments received within 15 days of this notice, the Department will make a final determination regarding permit issuance.

Comments concerning the draft permit should be either emailed to [airpermitcomments@jcdh.org](mailto:airpermitcomments@jcdh.org) or addressed as follows:

Corey Masuca, Principal Air Pollution Control Engineer  
Environmental Health Services  
Air & Radiation Protection Division  
Jefferson County Department of Health  
P.O. Box 2648  
Birmingham, Alabama 35202 - 2648

Anyone wishing to be notified of the final decision of permit issuance must request such in writing.

This notice is hereby given this   24   th day of   November   2019 by authorization of the Jefferson County Department of Health.

  
Jonathan Stanton, Director  
Environmental Health Services
