JEFFERSON COUNTY DEPARTMENT OF HEALTH
ENVIRONMENTAL HEALTH SERVICES
AIR POLLUTION CONTROL PROGRAM

PUBLIC NOTICE

The Jefferson County Department of Health gives notice that Ready Mix USA Tarrant Facility II a concrete batching Plant to be located at 4590 FL Shuttlesworth Drive, Birmingham, Alabama 35207, has submitted permit applications to obtain a permit to construct and operate it. The concrete batching plant will be subject to the requirements of the Jefferson County Board of Health Air Pollution Control Rules and Regulations only.

Copies of the draft permit may be inspected at the office of Environmental Health Services (Air & Radiation Protection Division), Jefferson County Department of Health, 1400 Sixth Avenue South, Birmingham, Alabama, from 7:45 a.m. to 4:30 p.m., Monday through Friday (holidays excluded). Copies of draft permit may be viewed online at https://www.jcdh.org/SitePages/Programs-Services/ScoreLists/Air/AirPollutionControl.aspx?AQTab=Notices.

The Jefferson County Department of Health is limited only to the air pollution aspect of the facility. Any comments relative to zoning or economic and social impact are within the purview of local zoning and planning authorities and should be directed to them.

After consideration of all written comments received within 15 days of this notice, the Department will make a final determination regarding permit issuance.

Comments concerning the draft permit should be either emailed to airpermitcomments@jcdh.org or addressed as follows:

Corey Masuca, Principal Air Pollution Control Engineer
Environmental Health Services
Air & Radiation Protection Division
Jefferson County Department of Health
P.O. Box 2648
Birmingham, Alabama 35202 - 2648

Anyone wishing to be notified of the final decision of permit issuance must request such in writing.

This notice is hereby given this _________ th day of ___________ 2019 by authorization of the Jefferson County Department of Health.
